I really don't know anything about the ASARCO trust - what amount of money is involved and what amount is to be spent on what. I don't think there is anything to discuss until we have a meeting with CDPHE on this site. We still need to discuss with them the condition of the site file and how CDPHE intends to produce and administrative record. MY understanding is that the State was suppose to submit something. I haven't seen anything. Fonda hasn't returned my phone call regarding the VB / I-70 OU-02 QAPP so.....????

Subject: FW: Proposed Final Budget

Attached is the United States' proposed Final Budget for 2012. It still requires Trustee approval before it is finalized. Asarco did not make any comments in the 30 day window allowed, so I assume this will be approved quickly by the Trustee and that everyone can have access to monies soon.

Please let me know if you have not made your final accountings to the Trust for monies spent in 2011 or if there is any open issue. In other words, I assume that you have submitted all 2011 billings to the Trustee and he has approved those expenditures. If not let me know. Thanks

Andrea — as to Globe, please let me know as to what the proposed balance forward is for that site.
